Dear Admiral Hillenkoetter:

Reference is made to your memorandum to participating IAC agencies, dated February 9, 1950, suggesting a review of requirements for published NIS materials. The Acquisition and Distribution Division, responsible for the distribution of this material within the Department, has recently completed a detailed survey of present and anticipated requirements of each unit in the Department of State for these materials. A statement of our needs, chapter by chapter, study by study, is attached hereto.

A statement of our revised requirements, together with the request that future distribution be made in accordance with the attached list, was forwarded to the Office of Collection and Dissemination and to the NIS Committee under cover of memoranda dated February 3 and February 10 respectively. Copies of these memoranda are attached. Distribution by your agency on the basis of this list will be of considerable assistance to us.

Sincerely yours,

ILLEGIB

(sgd) W. PARK ARMSTRONG, JR.
